

Please note:

We continue to offer classes on Sunday, Tuesdays, and Wednesdays. The Confirmation program is a 2-year program for high school students regardless of age and grade, and must be completed by the age of 18. The Confirmation date for Summer '24 is TBD. Attendance to class and Mass is important, especially for Sacramental studies! Irregular attendance is disruptive and unfair to other students and teachers. Due to the number of times classes will be held, a maximum of two unexcused (those without a Dr. note) classes can be missed. Students will be considered withdrawn from the program if this minimal requirement is not met. The Sacramental Preparation years of grades 2, Confirmation Year 1 and Confirmation Year 2 require Mass attendance greater than or equal to class attendance, which is tracked by the student completing Mass Quizzes and turning them into the offertory box at Mass.

September 30, 2023, is the final day for online registration or ANY changes made to your child's religious ed schedule. After this date, fall classes are settled, and students cannot be switched.

Summer session – This two-week session will be held **Tuesday June 20- Friday June 23, 2023 8:30 – Noon and Monday June 26 -30 9:00 – Noon**. There will be a required 8:00 am Mass Friday June 23. This session is for grades 1 – 8, with the exception of grade 2 or any student in any grade needing a sacrament of Baptism or First Communion. Sacramental studies must be done during the school year. If your student will have any conflicts with this schedule (i.e. swimming lessons at 11:30) please do not register for this session. We need teachers and teaching assistants to make this program successful. If, one week prior to the start of the session, a class does not have a teacher, that class will be cancelled and alternatives will be given. Please don't let this happen! Contact Sheilah with any questions you may have.
